Dear participants,

We are very pleased to welcome you to the Bonn-Rhein-Sieg University of Applied Sciences for the project Growing Rwandan Energy Awareness Through Higher Education (GREATER, Reference Number 101083081), organized in coordination with Erasmus+ (ERASMUS-EDU-2022-CBHE).

The goals of the programme are workshops and training in the topic of didactics, digital courses and laboratories in the area of smart power engineering. You will also have the opportunity to visit the Bonn-Rhein-Sieg University and use its facilities.

The purpose of the visit will be to share experiences as well as best practices regarding teaching, learning and education in Higher Education.

Funding for your travel costs, subsistence during your stay at the Bonn-Rhein-Sieg University and health insurance will not be covered by the Bonn-Rhein-Sieg University of Applied Sciences.

We would appreciate if the German Embassy could facilitate the issuing of your visa. The assumed place of stay will be in the city of Bonn.

Yours sincerely,

Prof. Dr. Iris Groß

Dean of the Department Engineering and Communication
